

## Montgomery County, Virginia Manufacturing-Light (M-L)

---

**M-L District:** Manufacturing-Light (M-L) district is established to provide for economic development and job opportunities by accommodating a mix of light industrial and business uses and related uses in settings outside of industrial parks but designated for industrial use in the comprehensive plan. Activities in M-L districts shall have limited traffic and other impacts on uses in other districts through proper location on major streets, adherence to ordinance performance standards and provision of space and physical buffers as prescribed. Areas designated for industrial uses in the comprehensive plan are best suited for rezoning in this district.

Lands qualifying for inclusion in the M-L district shall be lands within areas mapped as urban expansion, village, or village expansion in the comprehensive plan which are served by or planned for connections to public sewer and water.

### What can I do by right in an M-L district?

There are uses that are designated as "by right" which means you do not have to apply for a special use permit. The uses do, however, have to comply with all approved plans and permits, development standards, and performance standards included in the Montgomery County Zoning Ordinance and with all other applicable regulations. The "by right" uses include:

- Assembly of electrical appliances, electronic instruments and devices, radios and phonographs, including the manufacture of small parts.
- Business or trade school.

- Use listed in subsection 10-31(3), if a manufacturing process is to take place outside.
- Use similar to other uses listed above.

## **Building & Lot Requirements**

Each zoning district has different lot and building requirements; which are meant to insure the compatibility of new development with the existing development in the surrounding area.

### Minimum Lot Area

One (1) acre for lots sharing access with another lot, two (2) acres otherwise, except for public utility or public sewer installations which shall be in accordance with Montgomery County Subdivision Ordinance.

### Lot Access

Lots shall be accessed from a shared access drive connected to a road in the VDOT system wherever possible. Access drives or roads shall be a hard-surfaced road designed by a professional engineer to accommodate projected volumes, loads and vehicle types and approved by the Zoning Administrator and the Fire Marshall. Lot access for M-L uses shall avoid impacting residential subdivisions with primary access and through traffic.

### Maximum Coverage

Maximum coverage by buildings is fifty (50) percent.

### Total Impervious Surface

The total impervious surface located on a lot shall not exceed eighty (80) percent of the gross site area.

### Minimum Width

Seventy-five (75) feet for lots sharing access with another lot, one hundred fifty (150) feet otherwise.

### Minimum Yards

Front: Fifty (50) feet when opposing street frontage is residential district; thirty five (35) feet otherwise.

Side: Thirty-five (35) feet when adjacent lot is residential district; ten (10) feet otherwise.

Rear: Thirty-five (35) feet when adjacent lot is residential district; ten (10) feet otherwise.

### Maximum Building Height

Fifty (50) feet.

### Screening and Buffering

Notwithstanding other buffer, landscaping and screening requirements of this chapter, outside storage areas for materials, equipment or trash must be screened from adjacent streets or from adjacent land not zoned for industrial use. The purpose of such screening shall be to substantially reduce, but not necessarily eliminate, public views of outside storage areas. Acceptable screening shall be approved by the zoning administrator.

### Off-street parking and loading

Off-street parking permitted in required front yard, and must be in accordance with section 10-44.

### Indoor/outdoor operations

All manufacturing operations must take place within a completely enclosed building, unless permission for outside operations is specifically granted by the Board of Supervisors in a special use permit.
